

## Career 2009 & Education 2009

5<sup>th</sup> March to 8<sup>th</sup> March 2009

11.00am to 8.00pm

Career & Education 2009, the largest and most established Career and Education exhibition in Singapore and the region, is a much-anticipated annual event meeting Singapore's employment and education needs.

It also provides visitors with an overview of various courses available at leading education institutions both local and overseas, all at one comprehensive event.

This was the fourth time that ERC Institute participated in this Career and Education Fair. ERC Institute was offering irresistible freebies and scholarships which attracted a huge crowd.

ERC's CEO and Academic director was also invited to give seminar talks on Friday and Saturday to benefit the crowd to understand more about what is going on in various industries and how to excel in such times of downturns.
