Dear ERC Students and Graduates

Greetings from ERCI!

We are very happy to bring you a piece of good news! The long wait has finally ended!

ERC Executive Search has been set up in order to help our students or graduates to look for jobs.

What is ERC Executive Search?

ERC Executive Search started operation in 2007 focusing in the recruitment and placement of management, professional and executive staff. Over the years, we have developed a strong talent bank of 20,000 senior executives of diverse industries and background.

We:

- **Manage each of our client relationships with the highest degree of professionalism, integrity, confidentiality, tact and urgency.**
- **Have a dedicated team of executive recruiters that are among the most experienced.**
- **Using a unique full-service process**
- **Involve technology and personal service**
- **Attract top-quality candidates and client opportunities that result in successful placements.**

Do feel free to share with piece of good news with your family and friends. However, ERCI Students and Graduates will always be the priority when it comes to the job placements.
