## **ERC/ACPE CHARITY EVENT**

---

On 10 December 2007, ACPE, together with its Holding company ERC, held a charity event for children from Infant Jesus Homes and Children's Centre. The memorable event was led and initiated by ERC Holdings' CEO, Mr Andy Ong.

Six staff volunteered for the event to bring 32 children for lunch at Sakae Sushi. This was followed by a screening of the movie "Enchanted". ERC/ACPE team members, children and teachers from Infant Jesus Homes and Children's Centre enjoyed both the lunch and movie.
